 All donations are tax-deductible. Thank you in advance for your contribution!

FLITE seeks private donations to fund innovative and creative programs and activities that enhance the total offerings of the T/E School District. FLITE also recognizes that some children in the District do not have the financial, emotional, and environmental support to succeed in school. The Foundation aims to invest in helping these students, and thereby invest in the good of our entire community. FLITE operates independently of the District, although it seeks to align programs with the District curriculum.
