Do You Need Help with Preschool Tuition?

If so, and you live in the Tredyffrin/Easttown School District, FLITE may be able to help. Through its Preschool Tuition Assistance Program, FLITE works with a number of local preschools to make preschool affordable to families that meet certain financial criteria.

What is FLITE? The Foundation for Learning In Tredyffrin/Easttown (FLITE) is an all-volunteer non-profit foundation that helps to ensure that all students in Tredyffrin/Easttown schools, especially those who face barriers to their educational success, have the academic tools, opportunities and support they need to succeed in school.

FLITE helps students, ages preschool through high school, by funding educational programs. FLITE is supported by donations from local community members, businesses and foundations.

Would you like more information? If you or someone you know is in need of help with preschool tuition, please contact FLITE volunteer, Julie at 610-644-8461. Tuition assistance money is limited so please do not hesitate to call.
