

FLITE GOLF OUTING
Honoring James J. Bruder Sr.
Monday, September 23, 2019
St. Davids Golf Club in Wayne

FLITE-funded programs help hundreds of financially disadvantaged T/E students each year by providing academic tools, support and enrichment opportunities. T/E Schools provide an excellent education...but it's hard to take advantage of it if your family cannot afford things like a graphing calculator, home computer, musical instrument rental or after school tutoring. FLITE funds 11 academic support programs that help close the opportunity gap and allow all students to succeed in the classroom. A complete description of all FLITE programs can be found at www.flite-pa.org.

We are honoring [Jim Bruder](#) by naming our annual FLITE golf outing after him this year, due to his legacy and philanthropy as an advocate of underserved children in our community.
