T/E Schools provide an excellent education... but it's hard to take advantage of it if your family is unable to afford extras like a graphing calculator, home computer, musical instrument rental, or after-school tutoring. FLITE-funded programs help hundreds of financially disadvantaged T/E students each year by providing academic tools, support, and enrichment opportunities. FLITE funds 11 academic support programs that help close the opportunity gap and allow all students to succeed in the classroom. A complete description of all FLITE programs can be found at www.flite-pa.org.

Please join us this fall by participating in the FLITE Golf Outing and Tennis Round Robin as a golfer, tennis player, or sponsor. Not a golfer or tennis player? Please join us for cocktails, dinner, and the silent auction.
