SILENT AUCTION DONATION FORM

Local kids need your help to succeed in school

T/E Schools provide an excellent education... but it's hard to take full advantage of it if your family can't afford essential items like a graphing calculator, musical instrument, or after-school tutoring. The Foundation for Learning in Tredyffrin/Easttown (FLITE) funds academic support programs which help hundreds of disadvantaged T/E students each year by providing academic tools, support, and enrichment opportunities to help close the opportunity gap and allow all students to succeed in the classroom. A complete description of all FLITE programs can be found at www.flite4kids.org.
